Introduction of Y.K. Cheng Rotary International President's Personal Representative Past District Governor

Dear fellow Rotarians, Rotaractors, members of the Family of Rotary, and friends,

Gay and I are delighted to welcome you to your 2019-2020 district conference. This event is a wonderful opportunity to see how *Rotary Connects the World*, helping us come together and share thoughts on how to make Rotary service more impactful and our member experience more engaging.

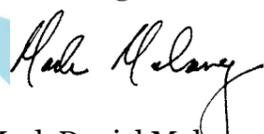

This year's conference comes at an especially auspicious moment for our organization. In 2019-2020, we are rolling out our new strategic plan. The plan is an Action Plan for Rotary's future. It was designed, with your input, to allow Rotary to better serve our rapidly-changing world.

The plan features four strategic priorities: to increase our impact; expand our reach; enhance participant engagement; and increase our ability to adapt. But to me, the central message of the plan is clear – we need to grow Rotary.

Growing Rotary is all about taking the connections that make our organization unique in the world and strengthening and multiplying them. How do we do that? Part of the answer is in how our clubs connect with prospective members. Part of it is in opening our doors to new types of clubs and memberships, making all potential Rotarians feel welcome.

But a big part of it is in how you personally connect with Rotary. It is exciting that you will be adding your ideas and your energy to your district conference. We hope this conference will help you to create your Action Plan for your Rotary future.

Kindest regards,

Mark Daniel Maloney
President, Rotary International 2019-2020

Y.K. Cheng joined the Rotary Club of Hong Kong Island East in 1983, was Club President in 1990-91, and served as Governor of Rotary International (RI) District 3450 in 1996-97.

Message from Y.K. Cheng Rotary International President's Personal Representative Past District Governor

My Fellow Rotarians,

Greetings to all in District 3450!

The District Conference is an important milestone in the Rotary year. It brings together Rotarians from every Club in the District to be inspired and motivated, and to enjoy Rotary fellowship.

My wife, Irene, and I are looking forward with great enthusiasm to be with all of you. We hope to make new friends and come away richer in Rotary wisdom, knowledge and understanding.

I am truly honored by this unique opportunity of representing the RI President to my own District. Mark & Gay Maloney extend a very warm and sincere welcome to all of you. Let us join hands to make this a wonderful Conference, as Rotary Connects the World.

I must recognize District Governor Wilson Cheng, Conference Chairman Gabriel Li and the Conference team for their hard work. You have chosen to honor the past by recognizing 60 years of District Conference in District 3450. That the current circumstances have made the organizing work very trying will render this Conference even more memorable.

If we can all learn to appreciate the Object of Rotary with greater truth and intensity, then Rotary will perhaps assume in our lives and imagination that same importance which it had in the life and imagination of our founder Paul Harris.

May I ask that you participate with an alert and vivid mind in the events planned for you during this Conference, for in so doing, you will undoubtedly bring to life the full potential of Rotary's clarion call to service.

Rotary is ours, just as this Conference is ours, if we but make it so.

With kindest personal regards,

Y.K. Cheng
Rotary International President's Personal Representative
Past District Governor

Message from Wilson Cheng District Governor 2019-20

Dear RIPPR PDG YK Cheng, The Hon Mr Jeffrey Lam, GBS, JP, Fellow Rotarians, Beloved Rotaractors, all of us in the Rotary Family and Friends

Thank you for joining us in this very special 60th District Conference!

In my tenure as the Governor of District 3450 to date, I am indeed impressed and touched by the dedicated application of "Rotary Connects the World" by all of you. There has been incredible materialization of various services and meaningful projects for the promotion of Rotary spirit thereby benefitting our communities here in Hong Kong, Macau, Mongolia, China and elsewhere. For instance, in spite of the unforeseen outbreak of the coronavirus infections in particular, key District events like the Spring Sowers : Organ Donation Project, the End Polio Day and Family Walk, the Blind Bowling Tournament and the District Golf Tournament, and other club based community services have been successfully concluded under uneasy circumstances. Please accept my wholehearted gratitude to all of you for your unfailing support!

In the light of the widespread of this epidemic globally earlier, we have sensibly restrained our public activities by the postponement or even cancellation of some key events, such as the Rotary International Convention planned for June, the Global Rotary Mandarin Club Development Conference, the Intercity Meeting, the Rotary Ultramarathon, the Rotary Centenary Cup, the District Blood Donation Day, and the Paul Harris Society Evening. On the other hand, we maximized effort on what could be possible to counter the spread of this tricky infection. By connecting our Rotary clubs, we have promptly teamed up a strong and effective strength to launch the "Giving Masks, Rotary's Task" by phases, donating some 200,000 fascial masks and other sanitary items in collaboration with a number of NGOs to those needed sectors in our community. A token of contribution for countering this disease that I would take pride in having my share!

To meet health and government restrictions, this 60th DC has made many changes in our Program and our format as such that this is the first time, we are able to be Connected with all Rotarians in our District Areas, including Mongolia and Macau in pre-Conference, during Conference and post-Conference. We have debut a Website to keep us all connected on Conference information and we are broadcasting the entire conference Live.

With so many Firsts in this 60th Conference, may I call upon all participants, whether you are physically here with us or electronically, to savour this landmark changes, to appreciate the work and labour that have made all things possible and to congratulate yourself and your club of the achievements made in this Rotary Year.

Lastly, I wish to congratulate and thank PP Gabriel Li, 60th DC Chair and his Organizing Committee for achieving so many Firsts in this DC and to make this 60th DC a memorable one.

Let us enjoy this precious fellowship time together and Be Always Connected!!

Yours in Rotary,

Wilson Cheng
District Governor 2019/20
Rotary International District 3450

Message from Past President Gabriel Li 60TH District Conference Organizing Committee Chair

Dear Fellow Rotarians and Guests,

On behalf of the Organizing Committee, I am thrilled and excited to welcome you to the 60th District Conference. A cycle of 60 years in Chinese is known as one “甲子” or “Diamond” in English, both means a significant milestone.

Our DC teammates have started to prepare for this 60th DC since last year, with a lot of innovative ideas and preparations to make this DC a memorable one that befits its occasion. There have been many versions of programs and much of those preparations have changed due to CORVID-19. To accommodate governmental gathering restrictions, we have to make a lot of physical and structural changes. We have to shorten the program to one day with no Governor Banquet, but our enthusiasm and spirit have not been dampened. We have other features to help us to remember this 60th DC. With so many twists and turns, we are now ready to debut the Program today!

I am sure you would have experienced being connected with us through our DC Website, the first time we have such a wonderful platform to share precious information of past DC and information of this 60th DC. This will keep us to be well connected 360 for a long time! Another special feature this year is we are broadcasting the entire conference via social media live feeds to all Rotarians including Macau, Mongolia and Hong Kong; this will keep us all connected during the Conference.

All these new First and exciting developments could not have happened without the solid and sensible advices from DG Wilson, Advisors PDG Ada, PDG Anthony and the contributions and inputs from the members of the Organizing Committee. They have been most patient with me and offer me unflinching support to make this DC finally happened.

Therefore, let us savour every minute of the time together as we have waited one full year for today! My heartfelt thanks to all delegates joining this DC. The whole Organizing Committee are delighted to be with you all join physically and with all of those joining us online today, together we have created another First in the History of DC and of District 3450!

Yours in Rotary
